2026 creative companion transparency

MARKETING STRATEGY

THE MOONBLISS BELIEF

Periods are not a condition. **They are a cycle.**

MoonBliss exists to:

- **Normalize** conversations around menstrual health
- Build trust through radical **transparency**
- Become a **companion**, not just a consumable

We don’t sell relief.
We build **Reassurance.**

OUR MARKETING PHILOSOPHY

Culture before Conversion

Most brands ask:

"How do we sell more?"

"How do we become part of their life?"

Moon BLISS

THREE MARKETING PILLARS

1. TRUST

- Ingredient Transparency
- Honest education
- Testimonials
- Press credibility

2. CULTURE

- Viral ideas
- Community rituals
- Public Conversations

3. HABIT

- Period reminders
- Subscription
- Daily engagement

NOTHING ELSE

We send our actual ingredients, not claims, not promises, to prove that MoonBliss contains nothing unnecessary.

Primary Objective: TRUST

- **Women's wellness brands often hide behind labels**
- **MoonBliss chooses radical transparency**
- **Trust is built when people can see what they consume**

Nothing Else is MoonBliss putting honesty before marketing.

NOTHING ELSE

NUMBERS & IMPACT

Campaign Scale

- **Influencers:**
- **200 Nano · 25 Micro · 5 Macro**
- **Budget: ₹26,00,000**

Expected Impact

- **Reach: ~9 Million**
- **Revenue: ~₹54 Lakh**
- **Strong earned media & PR coverage**
- **High first-time buyer confidence**

Nothing Else establishes **MoonBliss** as a brand with nothing to hide.

TINDER & BUMBLE

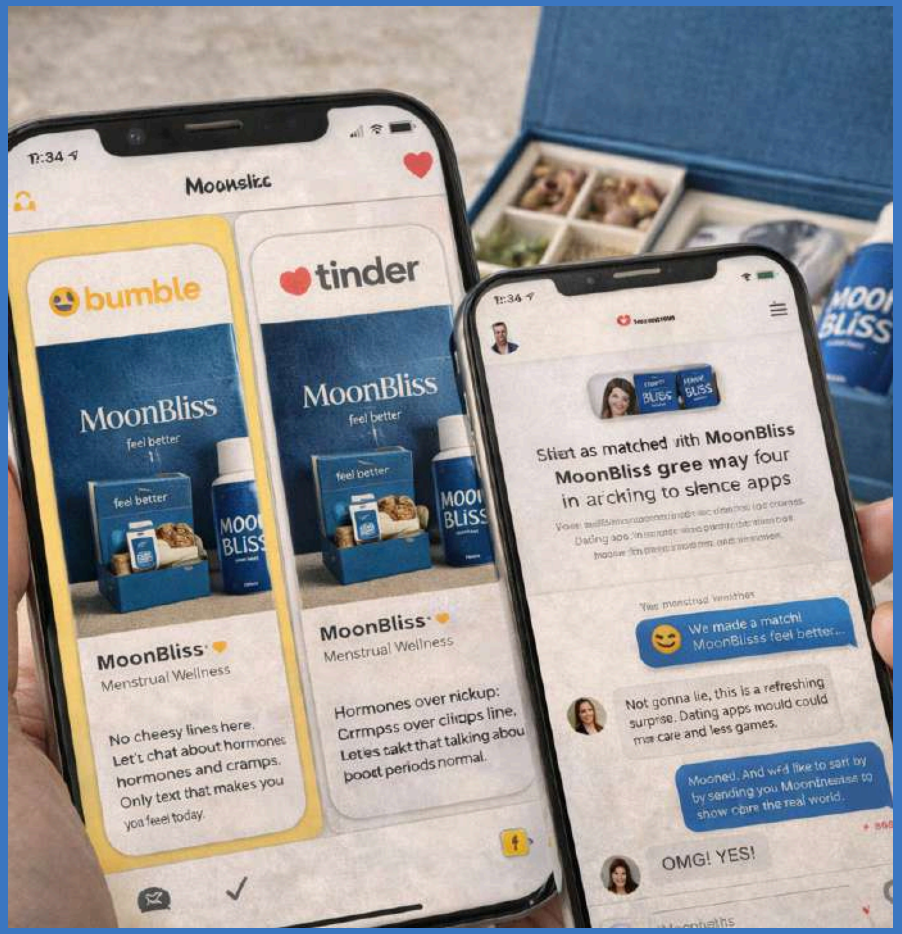

MoonBliss created profiles on dating platforms like Tinder and Bumble.

Selected matches were gifted MoonBliss, turning a dating interaction into a moment of surprise, conversation, and cultural relevance.

Primary Objective: CULTURE

- **Periods are still treated as awkward or private**
- **MoonBliss brings menstrual wellness into everyday modern spaces**
- **Dating apps are where conversations happen, MoonBliss chose to be part of that conversation**

This campaign makes **MoonBliss** **relatable**, **bold**, and **culturally** present.

TINDER & BUMBLE

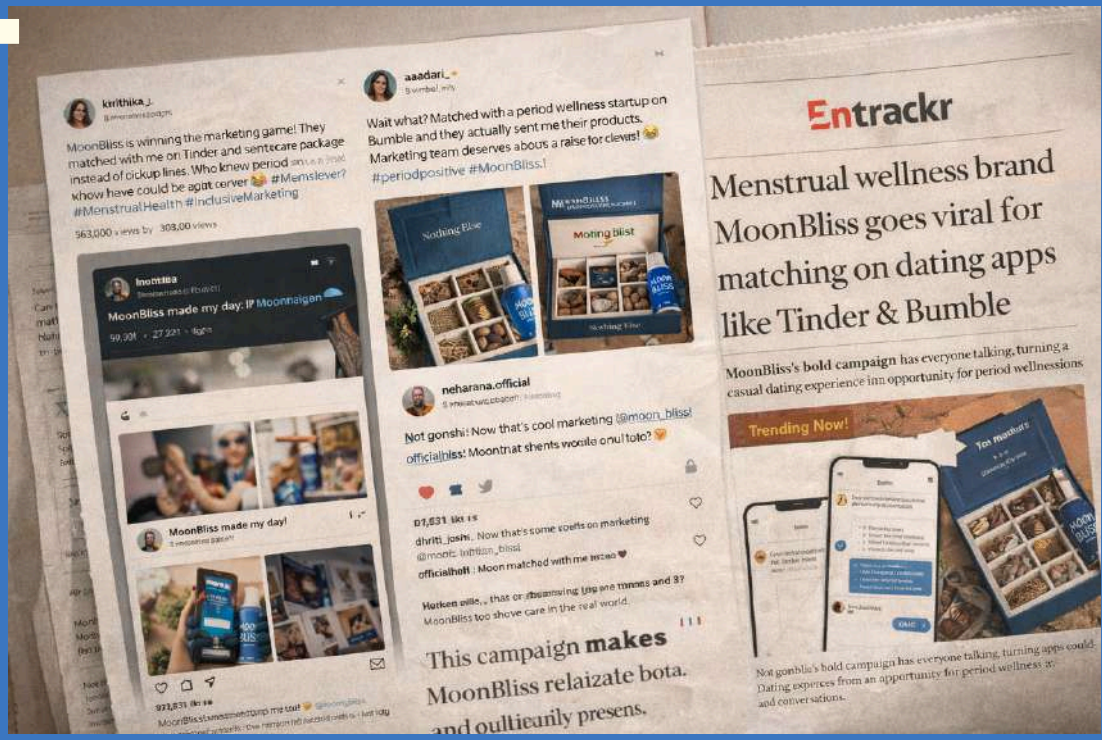

NUMBERS & IMPACT

Campaign Scale

- **Influencers:**
- **20 Nano · 15 Micro · 2 Macro**
- **Budget: ₹9,00,000**

Expected Impact

- **Revenue: ~₹17 Lakh**
- **High organic virality on Instagram & X**
- **Strong earned media from marketing & startup platforms**

MoonBliss becomes a brand people talk about, not just buy from.

GIANT PICNIC

Giant Picnic is a monthly, offline community gathering hosted by MoonBliss in open, public spaces.

Influencers, creators, and women from the community come together for:

- **Conversations**
- **Games**
- **Shared food**
- **Meaningful connections**

Primary Objective: COMMUNITY

- Wellness brands rarely create real-world spaces
- MoonBliss brings women together, beyond screens
- Community builds emotional trust that advertising cannot

GIANT PICNIC

NUMBERS & IMPACT

Campaign Scale

- **Frequency: Monthly**
- **Participants: ~50 influencers per edition**
- **Budget: ₹15,00,000 for 6 month**

Expected Impact

- **Revenue of 26 Lakh**
- **High organic content creation**
- **Consistent press and media coverage**

Giant Picnic builds brand loyalty before scale.

GOT MOONBLISS

Got MoonBliss is a personalized reminder and retention campaign designed around a woman's menstrual cycle.

MoonBliss gently reminds users:

- **When their period window is approaching**
- **When to take care of themselves**
- **When to stock up on MoonBliss**

All communication happens through:

- **WhatsApp**
- **MoonBliss Mobile App**

MoonBliss becomes a companion, not just a product.

GOT MOONBLISS

NUMBERS & IMPACT

Campaign Scale

- **Channels: WhatsApp + Mobile App**
- **Budget: ₹5,00,000**

Expected Impact

- **Expected Revenue: ~₹41 Lakh**
- **High repeat purchase rate**
- **Strong subscription adoption**
- **Minimal acquisition cost**

Got MoonBliss turns awareness into a daily habit.

HOARDING CAMPAIGN

MoonBliss launched a city-wide hoarding campaign using familiar celebrity names — with a twist.

Each hoarding uses a **familiar name** to spark curiosity, followed by a clear **disclaimer** that it refers to a real, **everyday woman**.

Primary Objective: PUBLIC VISIBILITY & VIRALITY

- **Outdoor media is unavoidable**
- **Familiar names trigger curiosity**
- **Honest disclaimers build trust, not confusion**

HOARDING CAMPAIGN

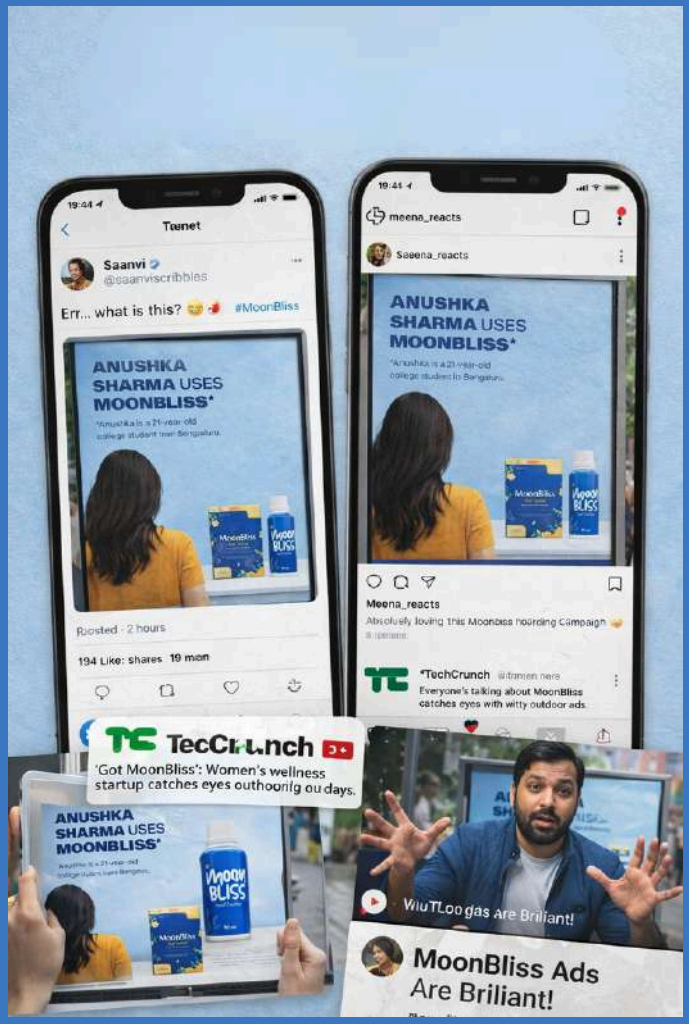

NUMBERS & IMPACT

Campaign Scale

- **Medium: Hoardings across key Bangalore locations**
- **Influencers:**
- **100 Nano · 15 Micro · 3 Macro**
- **Budget: ₹20,00,000**

Expected Impact

- **Revenue ~ 30lakh**
- **High organic social sharing (“Have you seen this hoarding?”)**
- **Coverage in marketing & startup media**
- **Strong top-of-mind recall in the city**

COLLEGE AMBASSADORS

MoonBliss partners with students across selected colleges to act as on-ground brand representatives.

These ambassadors become the voice of MoonBliss inside campuses by:

- **Creating peer conversations**
- **Hosting small events & meetups**
- **Representing MoonBliss in college communities**

Primary Objective: **EARLY ADOPTION & COMMUNITY SEEDING**

- **College is where long-term brand preferences are formed**
- **Peer-to-peer influence is stronger than ads**
- **Early adoption drives lifetime loyalty**

CORPORATE ASSOCIATIONS

MoonBliss partners with corporates to become part of their employee wellness initiatives.

MoonBliss is offered to women employees as:

- **A wellness benefit**
- **Part of HR health programs**
- **Period-care support inside workplaces**

This opens MoonBliss as a B2B + B2C hybrid channel.

Primary Objective: DISTRIBUTION + TRUST AT SCALE

- **Corporates signal credibility instantly**
- **HR-led adoption reduces consumer hesitation**
- **One partnership unlocks hundreds or thousands of users**

COLLECTABLES

MoonBliss introduces useful, everyday collectable items inside product boxes, designed to be kept, reused, and seen daily.

These are not freebies.
They are functional lifestyle objects that quietly live with the user

- **Period-friendly pouches**
- **Heat-pad sleeves / wellness wraps**
- **Desk or bedside organizers**
- **Minimal self-care tools.**

MoonBliss moves from a consumable to a companion brand.

OFFLINE CLUB ASSOCIATIONS

MoonBliss partners with existing interest-based communities such as:

- **Yoga & wellness clubs**
- **Women-only fitness groups**
- **Social & hobby clubs**
- **Self-care and mindfulness communities**

Primary Objective: CONTEXTUAL ADOPTION

- **People trust products used inside their communities**
- **Wellness adoption increases when experienced together**
- **Clubs provide repeat, low-cost exposure**

HOUSE OF BLISS

House of Bliss is a women-only musical and cultural collective created by MoonBliss.

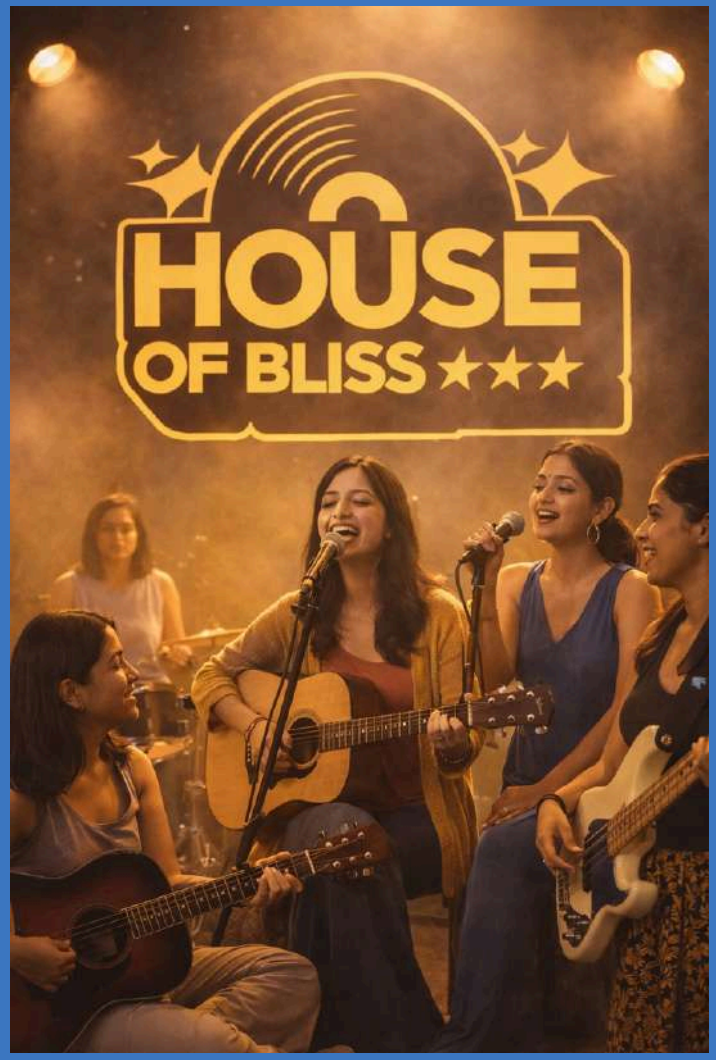

It produces:

- **Original music**
- **Live performances & concerts**
- **Cultural gatherings and pop-ups**

House of Bliss is not a campaign that promotes MoonBliss.

Primary Objective: CULTURAL OWNERSHIP

- **Great brands don’t just sell products, they shape culture**
- **Music creates emotional memory stronger than ads**
- **A cultural IP gives MoonBliss long-term relevance**

META, GOOGLE & SNAPCHAT

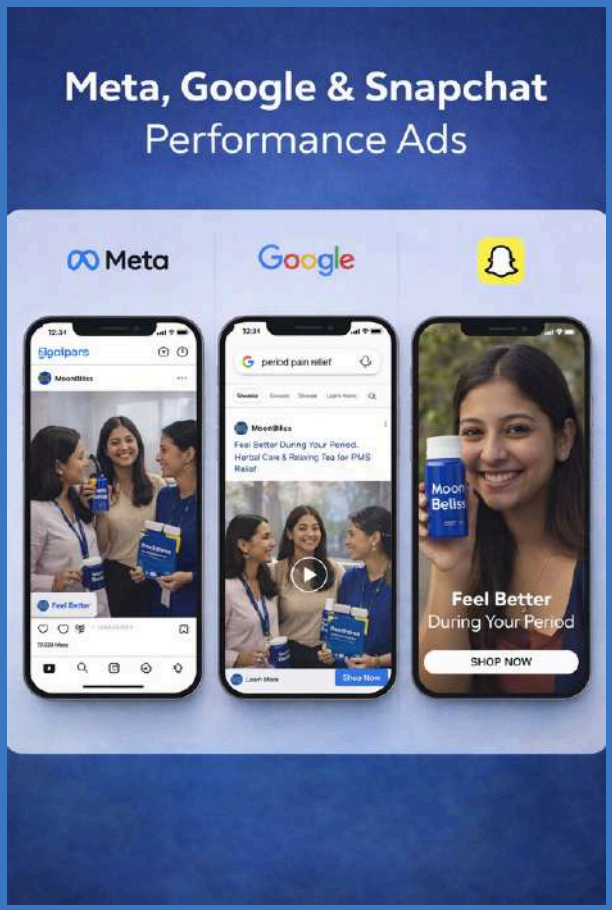

MoonBliss runs structured performance advertising

Performance ads amplify:

- **Trust built through campaigns**
- **Cultural recall created offline & online**
- **Habit formed through retention programs**

Primary Objective: SCALE WITH EFFICIENCY

- **Audiences already recognize MoonBliss**
- **Performance ads work best when brand recall exists**
- **Retargeting converts faster than cold acquisition**

META, GOOGLE & SNAPCHAT

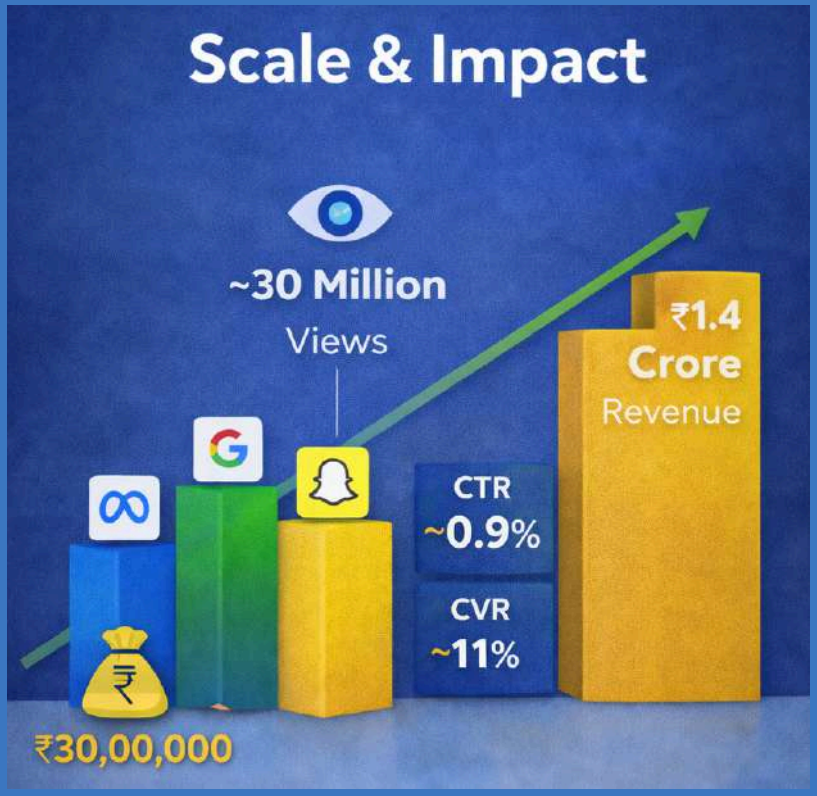

NUMBERS & IMPACT

Scale & Impact

- **Platforms: Meta · Google · Snapchat**
- **Budget: ₹30,00,000**
- **Expected Views: ~30 Million**

Expected Performance

- **CTR: ~0.9%**
- **CVR: ~11%**
- **Expected Revenue: ~₹1.4 Crore**

Performance ads turn brand momentum into measurable revenue.

THE CONVERSION JOURNEY

CVR - 11%

1 conversion ≈ 1000 views

Conversion rate is ≈0.1%

Average CPM in India (D2C) = ₹ 150

LIFESTYLE INFLUENCERS

MoonBliss partners with lifestyle-focused creators to integrate the product naturally into daily content, not scripted promotions.

Creators talk about:

- **Routine**
- **Wellness**
- **Work-life balance**
- **Period self-care**

MoonBliss appears as part of life, not as an advertisement.

Primary Objective: RELATABLE SCALE

- **Lifestyle creators drive trust faster than ads**
- **Native content feels authentic, not forced**
- **Regional language creators unlock deeper markets**

Lifestyle influencers turn **MoonBliss** into a familiar household name.

LIFESTYLE INFLUENCERS

NUMBERS & IMPACT

Influencer Mix (Language Strategy)

- **30% English**
- **30% Hindi**
- **20% Malayalam**
- **10% Telugu**
- **5% Tamil**
- **5% Kannada**

This ensures pan-India relevance with regional depth.

INVESTOR GUERRILLA MARKETING

MoonBliss runs Google Ads on specific investor names

Clicking leads to a custom landing page:

- **“This could be your next investment opportunity”**
- Short MoonBliss story
- Embedded pitch deck / teaser

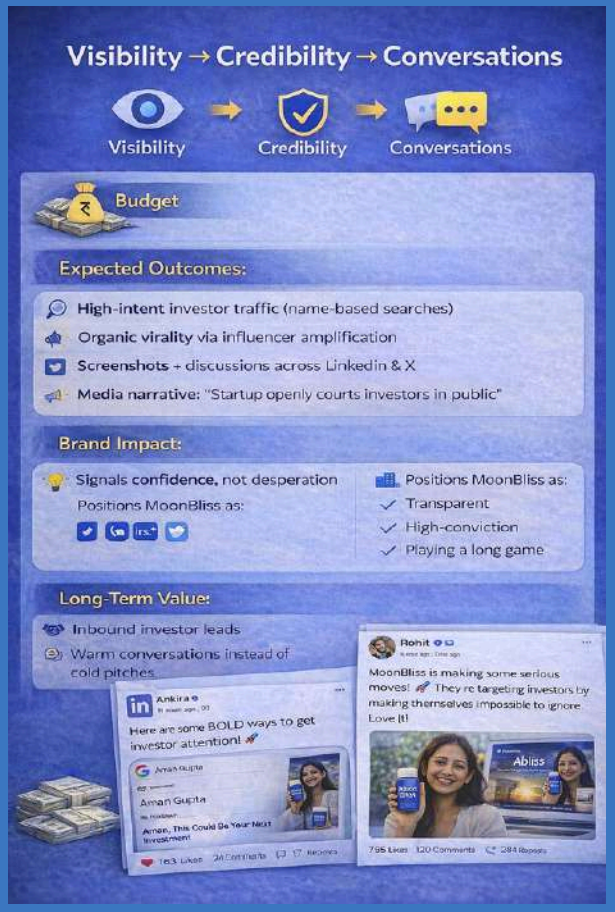

Macro influencers amplify the stunt by:

- **Googling the investor’s name**
- **Posting screenshots on Instagram, LinkedIn & X**

INVESTOR GUERRILLA MARKETING

MoonBliss runs Google Ads on specific investor names

Why this

- **Investors don't discover startups, startups enter their attention**
- **Creates public FOMO instead of private outreach**
- **Positions MoonBliss as confident, in-demand, and open**

Expected Outcomes

- **High-intent investor traffic (name-based searches)**
- **Organic virality via influencer amplification**
- **Screenshots + discussions across LinkedIn & X**
- **Media narrative: "Startup openly courts investors in public"**

We may not be perfect, but **we’re already miles ahead** of those who haven’t even started trying.
